2013 Annual Report

2013 Desert Southwest CFC Summary

Dear Federal Employees and Military Personnel:

The 2013 campaign year began with the merging of four CFC areas, making the region one of the largest geographic regions in the continental United States. These mergers resulted in a name change to the Desert Southwest Combined Federal Campaign (CFC). Online pledging continued to be a strong component to the campaign, especially with the addition of myPay -- the DFAS payroll system.

We continue be in awe of the generosity of Federal employees at agencies and military bases around the region. With furloughs and the government shut down in the middle of the campaign, Federal employees continued to give to those in need.

In these tough economic times, your generosity is especially appreciated by the charities. Your help made an impact on hunger, homelessness, drug abuse, the environment, the arts, education, senior care, medical research, animal welfare and veterans. Thank you!

It is an honor to be part of this great 2013 CFC Team!

Yours in Service,

*2013 Desert Southwest CFC Chairperson
Chief, Voluntary Service & Public Affairs Operations
